2022 Tournament Recipient

The gentlemen of the Krewe of Andres de Pez have partnered with HYTORC for their **14th Annual Golf Tournament**, to help provide fundraising support for **The First Tee Gulf Coast**. We are seeking your support via donations of cash, goods, or in-kind services in support of this great event.

We are supporting First Tee's goal to give boys and girls ages 5 – 18, of all backgrounds, an opportunity to develop life-enhancing values through golf, by instilling character education through the game's inherent "Nine Core Values:" honesty, integrity, sportsmanship, respect, confidence, responsibility, perseverance, courtesy, and judgment. They are firmly committed to ensuring that programming is accessible to youth of all backgrounds, diversities, social strata, and physical abilities.

Their local Chapter receives no direct funding from The First Tee national organization; all money is raised locally, and spent locally. Since the Chapter's founding in 2003, no child has ever been turned away from participation. This is what makes your support so important: helping the local Chapter advance their mission of impacting the lives of youth in our community.
